

## Planning/Zoning

### 5. Permit Inheritance

Click on “5. Permit Inheritance” from the Main Menu and the following window will appear:

## Planning/Zoning

### Permit Inheritance

**Permit inheritance**

***Permit Inheritance***

In order to perform permit inheritance, first select a parcel.  
Then you will be able to see all of the permits associated with that parcel.  
Next you will enter the parcel number(s) which will inherit permits from the "parent" parcel.  
Each of these "child" parcels will have as a part of their permanent record ALL of the permits  
belonging to the original parcel selected.

Select a parcel number  -

2

- 1. Select a parcel number:** Enter the Parcel number and click “Find” to locate the Parcel from a list.
- 2. Cancel:** Click “Cancel” to cancel and return to the Main Menu.

## Planning/Zoning

Permit inheritance

**Parcel number:** 70-72 BARLOW STREET

The above parcel has its granted permits listed on the left.

Enter the parcel numbers on the right which will "inherit" these permits

The permits listed on the left will become a part of the permanent record of every one of the "child" parcels entered on the right in all particulars except the parcel number, which will be as you have entered it. There can be as many "children" as you choose to enter.

***Permits to be inherited***

1	Permit number	Permit type	Decision	Date of decision
1	20020060	Zoning	Granted	08/10/2001

***Parcels which will inherit permits listed to the left***

2	Parcel number	Sub parcel number
2	2	

Or double-click on permit number to display permit
